March, Spartans, down the field
March with battle cry.
Fight the foe to Vict'ry
It's yours to do or die.
But Spartan courage never yields
Whate'r the outcome be,
For Men of Bacon, win or lose,
Are MEN OF VICTORY!

DEDICATION

MISS ALVINA DOERGER

Someone once said that secretaries really run the world — not Presidents, executives, doctors, lawyers, or administrators. The secretary always knows what's going on, where important material can be found, and what has to be done. Well, in May of 1937, Fr. Juvenal Berens, Roger Bacon's first principal, found himself in a dilemma. The school's secretary and registrar was to be married that August, and he had no replacement. Fr. Juvenal then paid a visit to the Doerger household across the street from the school, and there he found Miss Alvina Doerger. Thus began Miss Doerger's forty-one years of dedication and fidelity to Roger Bacon High School.

Miss Doerger comes from a family of dedicated workers. Her brother John was an English teacher for forty-four years — thirty four of which were spent at Roger Bacon. Her sister Jan worked here for many years as assistant registrar, and her brother Paul was a Franciscan missionary who died in China. Her cousin Urb Doerger is now one of the maintenance men here at Roger Bacon. This devotion to Roger Bacon and the Franciscans is epitomized in Miss Alvina.

Having served under all of Roger Bacon's six principals, Miss Doerger has seen the growth of solid Spartan tradition and has helped vitally in its development. She feels that it is "a real privilege to work for the Franciscan Fathers and be a small part of the Roger Bacon family." For years, she has taken every opportunity she had to offer personal help and encouragement to the students.

Miss Doerger's position as registrar required that she be quite organized and very meticulous, and these she truly was. Before the advent of the computer, for example, she would prepare each student's report card by hand, making sure she made no mistakes (The computer doesn't even **know** its mistakes.). Such an undertaking required at times long hours, but long hours have never been an impediment to her ideal to be a hardworking person. But besides being a hard worker, Miss Doerger is a very kind, gentle, and compassionate individual who prays for everyone's future.

Now, as she enters her retirement, the TROUBADOUR staff dedicates this 1979 yearbook to Miss Alvina Doerger in gratitude for the time, effort, devotion, and love she has given to Roger Bacon High School and its students.

SPARTAN BAND

The Roger Bacon Spartan Marching Band began its '78-'79 season very early, starting in June to prepare for the National Cherry Festival in Traverse City, Michigan, held on July 14. The early work paid off, however, and the band brought home the first place Queen's Trophy from the festival. In October the band hosted its own annual Roger Bacon Invitational. Park Hills High School, Fairbourne, Ohio, won the Governor's Trophy. Best Field Commander was won by Dayton Wayne High School. In October the band also competed in the Music Bowl I at U.C. and won the trophy for best musical score. The competitions ended with a second place finish at Miami Trace High School, Washington Courthouse.

VARSITY

Although the 4-6 season was disappointing for some, it was a great learning experience for the Spartan football team. As the season began, high hopes were put to the test. Early losses to Woodward and Badin destroyed the perfect season but not the Spartan spirit. The team became much closer as football players but, more importantly, also as friends. With this kind of unity the team was able to give all possible effort in the remaining games. This was evident in the heartbreaking loss to Elder; where the Spartans showed that they could play well against any opponent. A one point loss to La-Salle taught the team to accept defeat even when their hearts knew it wasn't deserved. The end of the season closed out many of the seniors' football careers. A week later the G.C.L. All Star teams were selected, and Roger Bacon was well-represented. Blaine Webb was selected for the first team, defense, as well as being named Defensive Lineman of the Year. Jerry Boerger and Frank Griffith were selected as defensive backs to the second team, defense; and John Farrell was named to the second team, offense, as running back. New head coach Rich Fuchs, all of the assistant coaches, and every member of the team succeeded in maintaining the high standards of Roger Bacon football in one of the toughest football areas in the state.

CROSS COUNTRY

The 1978 Spartan Cross Country season was one of ups and downs, highs and lows. A team consisting of one senior, four juniors, and two sophomores began training during summer vacation. Perhaps the youth of the squad resulted in the inconsistency of the team's performance during the season. The Bacon runners, however, were always competitive, finishing third in the Spartan Invitational, fourth in the Princeton Invitational, and fifth in the Mt. Healthy relays.

The low point of the season was a disappointing fourth place in the G.C.L. Meet. Four individuals had their worst races at this most inopportune time. The high point was the selection of Mike Crawford, Mike McCracken, Tom Schneider, and Shawn Ward, and John Wiehe to represent the G.C.L. in the All-State Meet.

With the loss of only one senior, the six returning lettermen should provide a strong corps for the 1979 season.

HOMECOMING

The 1978 Astrolabe Award for distinguished alumni was given to the Hock Brothers, Alvin, '39, and Paul, '45. They received the award at the alumni Homecoming on October 28. Below, Alvin and Paul Hock appear with Fr. Andrew Fox, O.F.M., and Fr. John.

The Many Sides of Spartan Life

SOCCER

This year the Spartan kickers had a good but somewhat disappointing season. Getting off to a slow start, the Spartans put it all together by mid-season. Going into the tournament the team had high hopes but were only able to reach the quarter finals, losing to Anderson — eventually to become State Runner-ups — in a close match. The Spartans came in second in a very tough G.C.L. this year and ended up with a respectable 9-4-4 record.

The 1978-79 basketball season was packed with thrills and excitement, with nine games decided by a point spread of less than five points. In spite of several heartbreaking losses, the Spartans were in every game right up to the final buzzer. With a disappointing record of ten wins and nine losses, the Spartans did not bring home any trophies, but they were definitely "MEN OF VICTORY" in their unity and determination.

The year 1978-79 produced one of the best wrestling teams in Roger Bacon history, largely due to the time and effort of Coach Bob Starkey. Every wrestler showed the spirit and desire of champions and proved to all opponents that Roger Bacon was not to be taken lightly. The team captured its first-ever tournament win in the Finneytown Invitational. Seniors Rick Haller and Chris Ketterer were G.C.L. Champions; Brian Bertke was a Sectional Champion. Six members (Beck, Bertke, Ernst, and Haller, Ketterer, and Roll) went to the District Tournament; and four seniors (Bertke and tri-captains Beck, Haller, and Ketterer) travelled to the State Tournament — the greatest representation in the school's history. Brian Bertke placed fifth in the entire State of Ohio and also won the race to break the previous school record for the most wins in a season. The previous record was 20 wins; Bertke finished with 26 wins, followed by Ketterer with 25, Beck with 24, and Haller with 23.

Roger Bacon's varsity baseball team had a disappointing year, although a few individuals did excel. John Farrell and Ken Jansen led the team with their spirit. Ken Gardner, the Most Valuable Player, excelled in everything. He led the team with a .361 batting average; and he had the best fielding percentage, going errorless in thirty-six attempts. Dave Zilch led the pitchers with a 1.633 ERA. Six players — Farrell, Gardner, Zilch, Jerry Boerger, Dan Gilene, and Ken Radziwon — were elected Honorable Mention in the G.C.L. The highlight of the season was the Spartan Championship in the Glen Este Invitational Tournament. Roger Bacon tied for fifth place in the G.C.L.

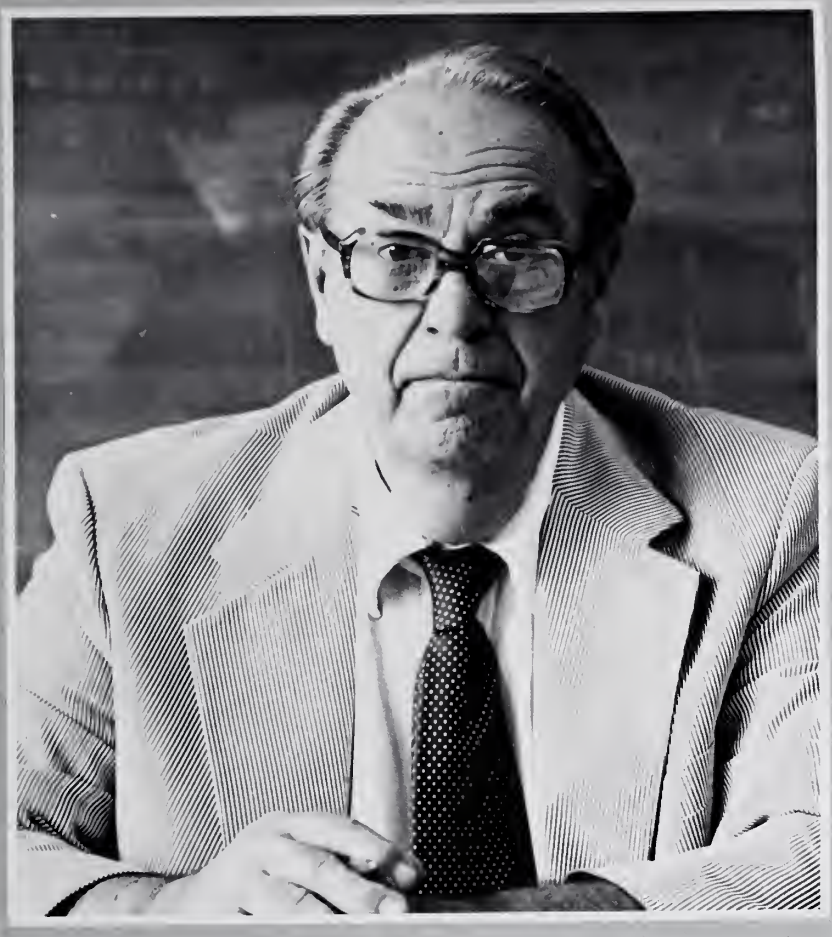
FACULTY

NINETEEN HUNDRED SEVENTY NINE

IN MEMORIAM
Paul G. Meyer "DOC"
A DEDICATED TEACHER TO BACON STUDENTS FROM 1936 TO 1978



An era has ended at Roger Bacon High School. So soon after celebrating our fiftieth year we have lost a man who taught Spartans for forty-two of those years.

Paul Meyer came to Roger Bacon in 1936 fresh from Xavier University. So impressed were the students with his vast knowledge that he was respectfully nicknamed "Doc," a name that remained with him all these years. Over those years Doc taught twenty-seven different subjects, moderated a number of different extra-curricular activities, and most recently was chairman of the Business Department. This wide scope of achievement and Doc's continual refusal of several outside teaching offers illustrate the devotion he had for Roger Bacon. He was, in short, an institution. His dedication was felt, too, at home, where Paul and his wife Mary nurtured the Catholic faith in their seven children. In this way, Mr. Meyer's work summed up his entire life.

A scholarship fund has been set up in Mr. Meyer's name, awarding a partial tuition scholarship to the outstanding junior in the Business Program. In this way Roger Bacon hopes to continue the work of Paul Meyer for many years to come.

Mr. Meyer once stated the following: "Bacon is better than many schools because it can take a boy who is in the middle or average and push him forward to achieve. The school is noted for making college and professional material out of marginal students. That's the big achievement as I see it." Paul Meyer was a tremendously important part of any success Roger Bacon High School has had over the last fifty years. His dedication and inspiration will stand as a challenge to all of us to carry on that tradition.

If all those post high school job offers are beginning to sound alike, try the Marine Air Reserve program on for size. You join while you're still in school, receiving drill pay for your time.

Then after you graduate and go through Boot Camp, it's back to your hometown where attendance at Reserve meetings earns you great extra money. Talk to your local recruiter, or call this toll free number, 800-423-2600. In California 800-252-0241.

ABORTION IS NOT POPULATION'S FAULT

The entire population of the world can be accommodated with 50' x 100' lots on an area the size of the State of Texas. (based on an average family of four).

Over the last two decades, world food production increased at an annual rate of 2.8% while population increased at an annual rate of 2.0' -- a gap of 40%.

ABORTION IS NOT EVEN HUNGER'S FAULT

30% of the world's annual cereal production goes to waste before it ever reaches the dinner table — 15% in the United States, 50% in India.

The quantity wasted is sufficient to provide the 460 million malnourished people of the world with the equivalent diet of the people of developed nations — 1500 # per capita per annum.

ABOVE ALL, ABORTION IS NOT LIFE'S FAULT

Life is not literacy!
Life is the finest gift of God!!
Life is not sound minds and sound bodies!
Life is an open shot at the greatest prize of all!!!
